Marketing	• Marketing • Branding and Advertising • Digital Marketing

Nottingham
Business School
Nottingham Trent University

MBA Course Structure

International Consultancy Experience Module

- Students work in groups during an intensive one week consultancy project in a host country
- Live client briefs, lectures and cultural events are provided by the partner institution
- Students deliver a group presentation and are assessed on their ability to understand how global forces are responded to by organisations in the host country and the recommendations they make to the brief.

How to Apply?

Contact the
**International
Coordinator** at your
home institution
They have to nominate
you

NBS will send you the
application and
information documents

Return your
application (February)
even if not complete
